SERVICES WE OFFER  
THE DIFFERENCE  
A GLOBAL OFFER

At Esigo, we create design objects that encourage communication between man and wine, not only to accomodate the bottles, but to communicate to all enthusiasts the messages and emotions that wine conveys.

Esigo is now the leading Italian company of modern design wine racks, in addition to various accessories for storing and serving wine. From the cellar to the table, at home or at public facilities such as wine shops, wineries tasting rooms and retail shops, wine bars, restaurants, hotels, Esigo brings our favourite bottles to life.
